

**ESTABLISHMENT OF 24X7 WOMAN HELPLINE NUMBER  
AND SECURITY MEASURES INSIDE THE CAMPUS**

As per the AICTE guidelines we have implemented 24x7 woman helpline number through Study world's woman development cell and some of the security measures are taken for providing safety to students and female faculty & non-teaching faculty. Following are the details,

1. 24x7 helpline number has been created and informed to all the students and female staffs of the Study world College of Engineering and the circular was pasted in the Girls hostel notice board.
  - +91 96005 57983 – Ms. D. Shamili, Assistant Professor, EEE & Coordinator – SWIFT, SWCE.
  - +91 93886 05979 – Ms. Girija, Residential Warden, Girls Hostel
2. The campus entrance, girls hostel outdoor surrounding place, entrance of the girl's hostel & corridors are facilitated with 24x7 CCTV surveillance.
3. We have appointed one teaching faculty & non-teaching staff as Hostel warden.
4. For the emergency one four-wheeler vehicle is deputed for the girl's hostel.
5. For their post class time reading purpose a hostel library has been created to girl's students.
6. For the support of girl's students and staff's programs for their mental and physical ability awareness programs are conducted through Study World's Women development cell in every month.
